

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 2017

IN THE MATTER OF:

Served August 7, 1979

THE COLONIAL TRANSIT COMPANY, INC.,)
Cancellation of Certificate No. 27)

Case No. MP-79-25

The Colonial Transit Company, Inc., holds Certificate of Public Convenience and Necessity No. 27 from this Commission issued September 5, 1975. Said certificate authorizes the following irregular route service:

CHARTER OPERATIONS PURSUANT TO CONTRACT to perform transportation of members of Reston Community Association, Reston Home Owners Association, or Deepwood Homeowners Association between Reston, Va., and Washington, D. C.

Commission Regulation No. 70-11, which became effective on July 23, 1979, reads as follows:

Within 30 days from the effective date of this regulation, the Executive Director or his designee shall issue authorization to all carriers heretofore certificated specifically to conduct charter operations pursuant to contract to continue such operations pursuant to the special certificate of public convenience and necessity set forth in subsection 70-09 of this regulation to the extent said operations are the subject of effective tariffs (including contracts) then on file with the Commission. No application pursuant to subsection 70-04 shall be required for issuance of such authorization. Upon the 60th day after the effective date of this regulation all certificates of public convenience and necessity authorizing charter operations pursuant to contract (except the special certificate set forth in subsection 70-09 of this regulation) shall, to that extent, stand terminated and no charter operations pursuant to contract shall be conducted pursuant thereto. The Executive Director or his designee shall cause revised certificates of public convenience and necessity to be issued as appropriate.

On this date, the Commission has issued an authorization pursuant to Regulation No. 70-11 permitting the continuation of the above-described operations in accordance with Special Certificate of Public Convenience and

Necessity No. 1. Inasmuch as Certificate No. 27 authorized no other operations, its reissuance would be inappropriate.

THEREFORE, IT IS ORDERED that Certificate of Public Convenience and Necessity No. 27 shall stand revoked effective September 21, 1979.
